

STUDENT ESSAY

Please compose a 500-word essay on **ONE** of the following subjects:

- How has music affected my life?
- What do I like or dislike about everyday practice and how does it affect my school work if any?
- How should I make practicing fun and valuable in order to improve my musical ability?
- Who is your favorite composer or performer and why?
- How do I plan to use music in my future goals?
